ASSAM STATE SCHOOL EDUCATION BOARD, DIVISION-II
BAMUNIMAIDAM :: GUWAHATI-781021

Academic Calendar for the Session 2025-2026

The Department of Education, Government of Assam has instructed to develop a uniform Academic Calendar for elementary, secondary and higher secondary classes and has directed to implement the same in all Schools of Assam. Accordingly, Assam State School Education Board, Div-II has prepared this Academic Calendar for the session 2025-2026 (1st April, 2025 - 31st March, 2026) for Higher Secondary and Senior Secondary Schools in the State.

As per provision of the Assam State School Education Board Act, 2024 the erstwhile Board of Secondary Education, Assam (SEBA) and Assam Higher Secondary Education Council (AHSEC) have been merged with effect from 13th September, 2024 and the new board "Assam State School Education Board" has come into existence. Accordingly, Assam Higher Secondary Education Council (AHSEC) is now known as ASSAM STATE SCHOOL EDUCATION BOARD, DIVISION-II. In exercise of powers conferred under section 30 read with section 30.2.(B) of the Assam State School Education Act, 2024, the ASSEB, Division-II is for imparting secondary education for Class- XI (HS 1st Year) and Class- XII (HS 2nd Year).

The monthly Academic Wall Calendar is for all Higher Secondary Schools and Senior Secondary Schools for the Session 2025-26, imparting Senior Secondary Course under ASSEB, Div-II. .

It is expected that the Institutions will follow this calendar towards improving the academic atmosphere in our State.

General Instructions :

1. The Heads of the institution(s) shall convene meeting with the teaching staff conveniently to discuss and finalize the academic activities in the light of this Calendar. The meeting shall finalize the class routine as per model routine given with this Calendar.
2. The Heads of the institution(s) shall constitute different Committees from amongst the teachers like
 - I. Academic Committee,
 - II. Examination Committee,
 - III. Festival Celebration Committee,
 - IV. Students' Activities Committee,
 - V. Parent Teacher Relation Committee,
 - VI. Unit Test Committee,
 - VII. Co-curricular Activity Committee etc.These Committees will be responsible for smooth functioning of different programs of the Institutions.
3. Lessonwise distributions of the key subjects of Arts, Science & Commerce stream have been displayed in every month of the Academic Calendar. These are just some examples of lesson distributions in this calendar. **All teachers will prepare monthly lesson distribution of respective subject to cover the syllabus within the period.**
4. Head of the Institutions shall ask the teachers to prepare subjectwise work schedule of those subjects which are not included in the action plan of this calendar and discuss the syllabi contents amongst the teachers of respective subject. The Academic Committee will take initiative in this plan.
5. The regular classes shall begin from 9.15 A.M. onwards, everyday
6. Full classes will be taken on all working days including Saturdays. **Saturday shall not be treated as half working day.**
7. The Head of the Institutions should ensure and maintain the norms laid down in the Rules & Regulations notified by ASSEB, Div-II time to time in recognition, academic permission, conduct of examinations etc.
8. The Institutions will prepare their own class routine, by following the model routine of ASSEB, Div-II published in this calendar, 2025-26
9. The class routine as included in this Calendar shall be strictly followed in such a manner that the duration of period and total number of classes per subject are not reduced.

10. The first period for Higher Secondary Classes is for 45 minutes duration. The last period is of 35 minutes. The other classes must be 40 minutes in all the institutions. It is to be maintained strictly.
11. **Dates of Holidays may be changed subject to Govt. Notification.**
12. The Unit Tests shall be conducted as per schedule mentioned in the Academic Calendar. The records of such tests should be analyzed immediately after completion of each test and should be taken necessary remedial measures for academic improvement of the students. The Unit Test Committee will take initiative for proper execution.
13. The ASSEB, Div-II will issue necessary instructions in due course of time for holding of Class-XI/Class-XII, submission of registration forms, examination forms etc.
14. At the beginning of the academic session, it is imperative to discuss the syllabus and textbook for deriving the skills/competencies envisaged in the curriculum and syllabus. The Academic Committee will take initiative with the supervision of the Head of the Institution.
15. It is expected that the Head of the Institutions will take necessary steps for proper implementation of this Academic Calendar for achieving desired level of academic improvement of the students in general, and of the institutions in particular.
16. The Academic Calendar must be followed by the concerned Institutions for maintaining healthy atmosphere.
17. **Any suggestion for improvement of academic activities at Senior Secondary is highly solicited for designing future course of action.**

ASSEB, Div-II (Erstwhile AHSEC) has been selecting a theme, to reflect at the Academic Calendar of every year for the sake of some knowledge and information to the students as well as to the teachers. Like previous years (such as, 150 years of Birth of Mahatma Gandhi, Azadi Ka Amrit Mahotsav, G-20, ISRO etc.), ASSEB, Div-II has selected the theme "Year of the Book" (কিতাপৰ বৰ্ষ) to be reflected at the Academic Calendar, 2025-26.

All heads of the institutions and all teachers are honorably requested to create an environment of reading of books in their Institutions, more library time, book reading related competitions, prize to the highest book-reader student of the month/year, students exposure to visit book fair, district library etc.

Activities for the Higher Secondary Schools/Sr.Secondary Schools for the Mental Health of Students

Sudden break out of COVID-19 has brought a wave of change to every aspect of human life. Mental health was not an exception. With the changing world, the mental health of human beings, specially of students has drastically degraded. Keeping themselves within locked area, no outing, no playing in play ground, no face to face interaction with friends, no physical activity, learning only through screen, scarcity of mobile, problems with network, degradation of financial status of parents etc, affect the mental health of our students. It has possessed a major challenge to keep the mental health of students intact. Social isolations, degrading health condition, lock down were the major threat to mental health under the prevailing circumstances. It is of utmost important to keep the mental health intact of the students.

As long as the physical classes have been starting at Schools/educational institutions, it is our duty to keep up the mental health of the students. The teachers should take the responsibility for growing sound mental health of the students along with their routined teaching. The head of the institutions should take initiative for better mental health of all students.

For this purpose, the educational institutions can take some activites like -

1. The educational institutions can organise **counselling sessions by inviting a psychologist**. Students should be given opportunities to have a face to face session with the psychologist.
2. The institutions can **arrange popular talk** by inviting a psychologist.
3. Can invite motivational speaker to **address the common problem of the students** and to provide the techniques to cope up with it.
4. G. Stanley Hall (American psychologist) referred to adolescence as the period of "storm and stress". During this stage an adolescent goes through various changes and they are exposed to vivid emotions. At this stage, the tension related to career also arises. They are unable to recognise their aptitude and are mostly confused with which career path they should opt for, depending on their calibre. In this regard, the Educational institutions may organise some **Talks or discussions regarding the career opportunities and guide** them by inviting some professional career mentors.
5. It is very important to keep the minds occupied. To ensure that the schedules are packed, and minds are alert. Free time should be used to keep the individuals busy through various activities like art, craft, music, cooking, play etc. It will not only enable them to use their leisure properly but also develop the creative ability of individuals. **Workshops** can be organised by inviting some local artist of various sphere e.g- art and craft, music, dance, recitation, creative writing etc for the students.
6. **Skill enhancement** programmes also can be arranged for the students which may help them in the future.
7. In teaching-learning process, the teachers should handle the students very delicately, so that students will not be more stressed. Teachers/Principals as well as the guardians should inspire students at all time for joyful teaching learning.

These are some suggestions from ASSEB, Div-II. The Principals/Teachers may take some innovative ideas for improving the mental health of the students according to their positions.

CLASS – XI

ASSEB, Div-II has introduced three new subjects viz (i) Sign Language, (ii) Artificial Intelligence & (iii) Financial Literacy for class XI to be implemented from the academic session 2025-26 in schools/colleges having HS course, where willing and competent teachers are available. Accordingly a notification has been issued by ASSEB, Div- II in this matter.

OFFICE OF THE
ASSAM STATE SCHOOL EDUCATION BOARD (DIV-II)
BAMUNIMAIDAM: GUWAHATI-21

NOTIFICATION

Date-24/01/2025

No. ASSEB(DIV-II)/ACA/CIR/144/99/24/0077 : It is notified to all concerned Head of the institutions having class XI and class XII Course under ASSEB (DIV-II) that as per resolution of the first Board meeting of newly constituted board (Assam State School Education Board) held on 13/09/2024, it was decided to introduce the following three new elective subjects in the curriculum of ASSEB(DIV-II) for students of Arts/Science/Commerce stream of class XI from the academic session 2025-26 and subsequently for class XII from the academic session 2026-27 onwards.

(i) Artificial Intelligence.

(ii) Financial Literacy.

(iii) Sign Language.

(কৃত্ৰিম বুদ্ধিমত্তা)

(বিত্তীয় সাক্ষৰতা)

(সংকেতিক ভাষা)

The objectives for introducing these three subjects- (a) to improve the students to build digital literacy, critical thinking, creativity and problem-solving skills through the subject Artificial Intelligence, (b) to help students to make informed financial decisions by an understanding of key financial facts and concepts through the subject Financial Literacy and (c) to provide communication access to deaf and hard of hearing people in various settings in real life and to spread awareness about Indian Sign language (ISL) to support individuals with disabilities as the implementation of NEP 2020 envisages inclusive education and the use of ISL through the subject Sign Language.

In this regard, the Board has developed a Google format to acquire the information from the concerned institutions who are interested to introduce the above-mentioned subjects.

Please visit the given link to submit the necessary information
<https://forms.gle/6kNFPzA7Codg5Htc9>

These information will be required to design and plan training of the teachers for those interested institutions.

মোৰ দেশ (গীত)

অ' মোৰ আপোনাৰ দেশ!
অ' মোৰ চিকুনী দেশ!
এনেখন সুৰলা,
এনেখন সুফলা,
এনেখন মৰমৰ দেশ।।

অ' মোৰ সুৰীয়া মাত!
অসমৰ সুৰদি মাত
পৃথিৱীৰ ক'তো
বিচাৰি জনমটো
নোপোৱা কৰিলেও পাত।

অ' মোৰ ওপজা ঠাই!
অ' মোৰ অসমী আই!
চাই লওঁ তোমাৰ
মুখনি এবাৰ,
হেঁপাহ মোৰ পলোৱা নাই।

অ' মোৰ আপোনাৰ দেশ!
অ' মোৰ সুকীয়া দেশ।।
